

B. Pharm.: (Annual Pattern)

Examination pattern -Internal examination

Internal Examination (Theory)

(I) The internal examinations conducted in the college are known as Sessional Examinations. These examinations are conducted thrice in the academic year for theory as well as practical. These examinations carry 20 marks each for theory as well as for practical. At the end of academic year out of these three scores (for theory) best two are considered and average is calculated. This average is considered as Internal marks for the theory subject which is out of 20. This score (average out of 20) is sent to university as internal marks.

(II) The tentative schedule of sessional examinations is as follows

Class	1st Sessional	2st Sessional	3st Sessional
F. Y. B. Pharm.	Oct./ Nov.	January	March
S. Y., T. Y., Final Yr. B. Pharm.	August	January	March

Internal Examination (Practical)

The same pattern followed for theory examination is followed for the practical subjects. The tentative schedule for practical examination is same as theory.
